ARC Application for Lot Improvements/Changes

No work may be started until your application is approved.

Incomplete applications will be rejected by the ARC, along with explanation of next steps. The ARC has 30 days to respond to your application once all required information is received.

Lot #_____Homeowner Name_____		Date _____
Address _____		
Email _____		Telephone _____
Type of Improvement (check all that apply)		
☐ Landscape Changes	☐ Exterior Painting	☐ Tree Removal
☐ Play Equipment	☐ Generator	☐ Exterior Modifications
☐ Paving/driveways	☐ Propane Tank	☐ Out-Building
☐ Fencing	☐ Roofing	☐ Decks
☐ Pool	☐ HVAC	

Note: A construction deposit may be required for some improvements. Deposits will be refunded once the project is complete and ARC Chair gives approval that all outstanding issues, if any, have been resolved.

Deposit Required (ARC Decision): ☐ No ☐ Yes Amount: _____ Received: _____

Project Description: Provide adequate description of your project to enable ARC to understand and evaluate your application. Provide one copy of application/plans/drawings as appropriate. If plans/drawings are not sufficiently detailed, the ARC will ask for resubmission, which may delay review of the application. Where setbacks are a factor, provide a detailed drawing of your lot. Also include applicable paint colors/samples, manufacturer names, etc. Attach additional sheets if necessary.

Schedule: Estimated Start Date and Length of Project_____

Signatures

_____ (Applicant Initial) I agree that no work will begin before 7:00am on weekdays and before 8am on Saturdays. No Contract work will be performed on Sundays.

_____ (Applicant Initial) By signing, the applicant accepts responsibility for any damage that occurs to Association property resulting from the project and contractors. Including, but not limited to, damage to common property, dirt/mud/debris that runs onto the road or is deposited from the project.

_____ (Applicant Initial) I understand that I am responsible for obtaining the required building permits and providing those permits to the ARC prior to beginning work. Projects that may require a permit in El Dorado County:

- Room additions or structural modifications
- Decks, balconies and stairs
- Retaining walls over 4 feet
- Fences designated as pool safety barriers
- Electrical services upgrades or new circuits
- Plumbing modifications
- Roof replacement or major repairs
- Pools, spas or hot tubs (including safety fencing)
- Solar panel installations
- Any grading, trenching or significant earthwork

• **Note** This list is not exhaustive. Applicants are responsible for contacting El Dorado County Building Department and obtaining all required permits before starting their project.
